Is it even possible to count the ways we love the City of Tamarac? As our community tackles 2023 full steam ahead, more reasons emerge daily to love “The City For Your Life.”

We closed out 2022 with new leaders on the Tamarac City Commission. At the helm of District 2 is Commissioner Morey Wright, Jr. Tamarac’s new District 4 Commissioner is Kicia Daniel. Both were sworn into office on Nov. 21, 2022, along with Michelle J. Gomez, now serving her second term as Mayor. In December 2022, Marlon D. Bolton, Tamarac’s District 1 Commissioner, was named Vice Mayor. He will serve a 12-month term in this role.

In addition to our new leaders, our cityscape is getting a new look in 2023...mainly through major renovation projects at parks throughout the City. Dec. 12, 2022, the City of Tamarac celebrated the launch of the Caporella Park Enhancement Project with a groundbreaking ceremony. This is one of four park renovation projects currently underway in Tamarac. Our parks and facilities have lots of ways for you to stay fit and maintain those 2023 health and fitness New Year’s resolutions. Learn more in the Discovery Section.

After an abrupt halt in 2020, due to the emergence of COVID-19, a new Tamarac University graduating class completed their coursework in Fall 2022. If you’re interested in registering for future classes, page 7 has details.

Valentine’s Day is almost here! Help us count the ways our community members love Tamarac. Please submit your one paragraph response to PIO@Tamarac.org, before 5 p.m., Friday, Jan. 30. By participating, your response could appear in a City of Tamarac Valentine’s Day social media post.

In the meantime, “The City For Your Life” wishes you a happy, healthy and prosperous new year. In 2023, let’s stay connected! For information about Tamarac’s events, activities, updates and resources, visit www.Tamarac.org or follow us on social media.

Commission Editorial
Mayor Michelle J. Gomez

This time of year is perfect for beginning anew and appreciating all that we have before us. I’m grateful for your support and the pleasure of serving with the new Commission. I’m very excited for our strategic planning sessions to begin, so we can work through the projects and programming already underway, and initiate new ones that’ll provide us with even more reasons to love Tamarac!

We have a lot to be proud of in Tamarac. We are a “big” small City with a lot of heart! We’re proud of our progress from a retirement community into a vibrant multigenerational and multicultural city with a hometown feel. Tamarac remains open for business and welcomes new residents.

Thank you once again for giving me the privilege of being your Mayor. As always, I remain available via email, phone or in person at the office or your favorite coffee place.

Wishing you excellent health, hope, joy, and prosperity this 2023!

Warmest Regards,
Michelle

Mayor Michelle J. Gomez was sworn-in for a second term in office on Nov. 21, 2022.
I hope you all had a great holiday season; and I hope you spent time with your family and friends. This is my first newsletter of the new year, and I wish everyone great success and good health in 2023. This year will undoubtedly bring unique challenges; but we are resilient and strong. We will overcome the obstacles as they come once again.

Last year, we welcomed two brand-new Commissioners, Morey Wright, Jr. and Kicia Daniel, who will represent districts 2 and 4, respectively. I am excited to get to know my new colleagues and work with them to move our City forward.

Looking ahead, I am most excited about February; because we will host our first goal-setting retreat of the year. During this meeting, we will discuss how we will move our priorities for East Tamarac forward. We accomplished a lot last year and there is no stopping now. We broke ground at Caporella Park, which will be renovated at the tune of $4.5 million. During our goal-setting retreat, we will discuss and solidify plans for the future and for the Shaker Village Club House property, Sabal Palm Park at Central Parc, the Eastside Water Distribution Project, Shaker Village and Mainlands 1-5 street resurfacing, the Prospect Road wall and speed humps on streets east of 441.

I hope to see you at our Martin Luther King Jr. Day celebration. And, let us not forget the families of the students who tragically lost their lives at Marjory Stoneman Douglas High School on Feb. 14, 2018.

My cell phone number is (954) 275-3850. Please call me if you need my assistance with anything. (No text messages, please.)

Until Next Time,

Marlon D. Bolton, Vice Mayor, District 1
Commission Editorial
Commissioner Morey Wright, Jr., District 2

I’m incredibly grateful to the residents of District 2 for the humbling opportunity to serve as your Commissioner. Thank you to the many people who have already let me know what issues are important to you. As your Commissioner, I will be your voice, champion and fighter for these important issues.

I want to thank my predecessor Vice Mayor Gelin, for his service to District 2. A big congratulations to Mayor Gomez on her re-election and to Dr. Kicia Daniel on becoming the Commissioner of District 4. Thanks to these extraordinary women, Tamarac is now the only Commission in Broward County with a doctor and a lawyer. I’m elated to work with these two accomplished women. I also look forward to working with trailblazing Commissioners Bolton and Villalobos, to continue blazing trails for the residents of Tamarac.

I genuinely believe that together we can make Tamarac the safest, greenest and most prosperous City in America. For questions, concerns or ideas, feel free to email Morey.Wright@Tamarac.org.

Commission Editorial
Commissioner Elvin Villalobos, District 3

The new year always brings a sense of newness to that which reminds us that the past is gone and a new day has been born. You begin to identify ways to start your day with a win and create personal goals. These things always start with a small step. It is the droplets of life that make the waves of impact we make in ourselves and others. “Measure twice... cut once.” This year, you can make it better than 2022!

I want to welcome our two elected Commission Members – Commissioner Daniel of District 4 and Commissioner Wright of District 2. Join me in wishing them the very best on this new personal journey, as we serve our mutual Tamarac constituents with excellence.

The ending of 2022 brought lots of love and laughter with so many highly anticipated and fun events and activities brought to you by our City staff and commission. From the 41st Annual Tamarac Turkey Trot 5K bringing together nearly 2,100 participants, to adopting families for the holiday season in 2022.

Your feedback and continual support are essential to our success in Tamarac. Your comments, concerns and appreciation are always welcomed by me. Your attendance is always appreciated at our Regular Commission Meetings and Commission Workshops at City Hall.

You can connect with me on social media, by emailing Elvin.Villalobos@Tamarac.org or by calling or texting (954) 821-9734.

This is my favorite time of year. It reminds me of all the things I love, like family, friends, fellowship and showing appreciation, love, kindness and gratitude to others. I am especially grateful for the opportunity to be Commissioner of District 4. I will give my community the very best that I have to ensure that priorities you have set forth and need are attainable. I will work diligently to make Tamarac a world-class community, addressing the needs of District 4 first and foremost.

The New Year’s holiday reminds me of the wonderful opportunity to start fresh, right wrongs and renew our hope and faith in each other and in our futures. In the new year, we can resign ourselves to dream big, to strengthen our relationships with our children and those we hold dear. Let’s welcome new beginnings. Let’s dream big dreams of a better community together.

I am excited to share one of my upcoming projects. The first one will be for our residents interested in joining me on a journey of “Financial Recovery and Abundance.” One reason I ran for office was to assist fellow residents with overcoming setbacks that appear to cripple our finances...whether it be a failed business, lawsuit, tragedy, bankruptcy, identity theft, foreclosure, etc. I have been there; but I was able to rise up and stand better than before. Remember, what others call failure is actually just a part of your journey to success.

May the new year bring you peace, love and an abundance of happiness.

Happy New Year,
Kicia Daniel, Commissioner, District 4
For the first time in two years, Tamarac University (TU) is in session! Twenty-two students showcasing Tamarac’s diversity completed eight weeks of required coursework. Wednesday, Dec. 14, 2022, the Fall 2022 class graduated during a celebration with neighbors, family and friends in the Tamarac Commission Chamber. This was the first TU graduating class since the onset of the COVID-19 pandemic.

“We are thrilled to once again offer our residents the opportunity to meet with City staff and to learn about the City they love and call home,” said Jim Twigger, TU’s staff liaison. “Tamarac University is an exceptional program that provides residents with an inside and in-depth look at how our City operates, and what makes Tamarac so great!”

TU gave these recent grads a behind-the-scenes glimpse at the City’s operations. Students met with Tamarac Commission members. They engaged during informative lectures by City staff from all departments. Sessions also included field trips to City facilities, including a fire station, community centers, parks, public services buildings and City Hall.

In an anonymous survey submitted after one of the Fall 2022 sessions, one student stated, “The level of how each department explains their role and how it works is awesome and easily understandable.”

Applications to enroll in TU’s Spring 2023 class are available at www.Tamarac.org/TU. Spring sessions begin Tuesday, March 7. The application deadline is Friday, Jan. 27, at 5 p.m. For more information, please contact TU@Tamarac.org.
The 41st Annual Tamarac Turkey Trot 5K continued our City’s most beloved holiday tradition! In 2022, on Thanksgiving morning, nearly 2,100 participants raced through Tamarac’s Woodmont area to complete the 3.1-mile course.

Kristian Bodden, 21, and Sonja Friend-Uhl, 51, claimed medals for the best overall male and female runners. Bodden’s finishing time was 16:16 and Friend-Uhl’s was 19:29. Medals were also earned by age group winners, ranging from young children to senior citizens.

“It was really fun,” said Kay Bloom, a nine-year resident and first-time Turkey Trotter. “People were very friendly; and I feel really supported and a part of the community.” Bloom, plans to keep the tradition going in years to come.

The Tamarac Turkey Trot has grown steadily since the first race in 1980. In the last two decades alone, participation has nearly doubled, and is expected to continue growing.

**TAMARAC FIRE RESCUE’S 2023 CPR/AED CLASS SCHEDULE IS NOW AVAILABLE**

Get certified in two lifesaving techniques at CPR/AED classes provided by Tamarac Fire Rescue.

Cardiopulmonary resuscitation, better known as CPR, allows you to help someone who isn’t breathing or whose heart has stopped. Automated external defibrillators (AED) are emergency medical devices that automatically diagnose life-threatening cardiac conditions and shock the heart to get it pumping again.

**Upcoming CPR/AED Classes**

- January 14
- March 11
- May 13
- July 15
- September 23
- November 18

Classes are held from 9 a.m. – Noon, at Tamarac Fire Station 15, located at 6000 Hiatus Rd.

Advance registration is required. Call (954) 597-3800 or visit www.Tamarac.org/FireRescue to sign-up.
MAKING YOUR WAY AROUND A ROUNDABOUT

The City of Tamarac has a total of seven roundabout intersections, with two installed in 2022. Roundabouts serve as a traffic calming feature to reduce speeding and redirect traffic flow with ease. When navigating Tamarac’s roundabouts, there are a few safety tips to keep in mind to protect motorists and pedestrians sharing the roadway.

- Choose your desired lane before entering the roundabout by adhering to signs that direct drivers to travel right, left or straight.
- Before entering, look left and right, then yield to vehicles already in the roundabout. They have the right-of-way.
- Adhere to posted speed limits.
- Yield to persons using crosswalks within the roundabout when entering and exiting.
- When emergency vehicles approach the roundabout before you’ve entered, pull over to the right to allow them to pass. If you’re already inside, make the first possible exit to allow the emergency vehicle to pass.

MAYOR’S STATE OF THE CITY COMING SOON

Join Mayor Michelle J. Gomez for the State of the City Address, where she will share a recap of 2022 accomplishments and insight into what the future holds for Tamarac. The speech will open a regularly scheduled 7 p.m. Commission Meeting at City Hall. If you’re unable to attend, you can stream it live on-demand at www.Tamarac.org/Meetings or via Facebook.

The official date will be announced at www.Tamarac.org/SpecialEvents.
Would you have suspected that the world’s largest manufacturer of conveyerized carwash equipment was nestled quietly in Tamarac’s Commerce Park? During a recent visit with Paul Fazio, CEO of Sonny’s The CarWash Factory, the Tam-A-Gram team got a look behind the walls at what he calls “a one-stop-shop for anyone looking to build a conveyerized carwash,” and at the vision for this industry leader’s latest expansion project.

Sonny’s CarWash has 45 facilities and approximately 1,880 employees throughout the nation. In November 2022, Sonny’s CarWash broke ground at the site of the newest expansion project at its Tamarac-based national headquarters, located on Hiatus Road, just beyond Commercial Boulevard. Scheduled for completion in September 2023, this site will include a new distribution center for raw materials and finished goods. It is expected to increase Sonny’s current 660 person Tamarac-based workforce by approximately 100 employees by the end of first year. Currently, Sonny’s The CarWash Factory is among Tamarac’s five largest employers.

“Thankfully our niche of the carwash industry is rapidly expanding,” said Paul. “We are the leaders in the world in the niche of conveyerized car washing. We believe this growth in the industry will continue; and we are positioning ourselves to continue to be the company of choice for the industry.”

At the existing four-building Sonny’s CarWash campus in Tamarac, the company manufactures all the equipment to build its custom carwash tunnel designs, houses its software development team and its branded carwash sign production team. It’s home to what Paul calls “Sonny’s CarWash University,” which provides continual staff and client product training. The current campus also houses the centralized office staff that supports all other facilities across the Country.

Today, Sonny’s The CarWash Factory reaches far beyond the wildest dreams of Founder, Sonny Fazio - Paul’s late father. Sonny started washing cars in Lynn, Massachusetts, in 1949. He eventually moved to Florida. In nearby North Miami, he started Sonny’s as a carwash supply company in 1978. It evolved into the powerhouse we know today.

In 2001, with Paul at the helm, he chose Tamarac as the company’s new home due to the hospitality received from the City’s leadership at a time when other places weren’t as accommodating. “It made choosing Tamarac as the home of my business a very easy decision; and look at us now,” Paul expressed.

Monday, Dec. 12, 2022 the City of Tamarac’s Mayor and Commissioners officially broke ground at Caporella Park to celebrate the new Enhancement Project.

The $4.5 million renovation will include new amenities such as a non-motorized boat launch with floating dock, shaded amphitheater, vortex splash pad, picnic shelter, barbecue grill, playground with sunshade, new restrooms, concessions room, a multipurpose trail, a centralized fitness area and more.

Caporella Park will be closed during the renovation process. It is expected that Tamarac’s friends, families and neighbors will be able to once again enjoy the park and all its new features in late 2023.

The enhanced Caporella Park will offer beautiful lakeside views and a tranquil space to meet and mingle. The park will become the nucleus of community life, where Tamarac residents can come together to celebrate holidays, host family gatherings and participate in community events.

The Caporella Park Enhancement Project is a tangible reminder of Tamarac’s commitment to creating a connected and vibrant community.

TAMARAC'S HOLLY, JOLLY, HOLIDAY HIGHLIGHTS

Tamarac’s 2022 holiday season was “merry and bright,” even for our furry friends. When the sun went down on Dec. 1, Tamarac enjoyed live musical performances, crafts, a guest appearance by Santa, and a colorfully illuminated Christmas tree, menorah and kinara.

Dec. 9, Santa and Rudolph the Red-Nosed Reindeer flew into Tamarac Park for Rudolph’s Winter Wonderland, where guests enjoyed carnival games, face painting, a bounce house and samples of Santa’s favorite holiday cookies decorated by local children.

Our furry friends weren’t left out of the holiday fun! Dressed in their best holiday apparel, Tamarac’s four-legged friends and their owners attended the annual Paws With Claus Holiday Paw-ty at Gary B Jones Park for People and Pups, on Dec. 10. Pets enjoyed a tail-wagging good time competing in the Best Dressed Holiday Hound Contest and photo ops with Santa.
Caporella Aquatic Complex amenities include a 25-meter heated swimming pool, with zero-depth entry, a slide and a children’s water spray ground. The complex also offers a 3,000-square-foot fitness center, locker rooms and outdoor picnic tables. Call (954) 597-3660 for more information.

As part of our current safety procedure the pool opens in sessions to allow social distancing and time to sanitize between sessions.

**OPEN SWIM SESSIONS ARE CLOSED FOR THE SEASON. SESSIONS WILL RESUME MARCH 1.**

**PROACTIVE ARTHRITIS WATER AEROBICS CLASS**
Proactive Arthritis Water Aerobics classes are held every Monday, Wednesday and Friday. Winter hours are 10 – 11 a.m. These classes are free to Senior Program members.

**TAMARAC SWIM TEAM**
TS Aquatics offers a competitive swim program for children, ages 5 – 18, at the Caporella Aquatic Complex. Free tryouts are held Monday – Thursday, 5 – 7 p.m.

**FITNESS CENTER**
The Tamarac Fitness Center offers a friendly, non-competitive workout environment with a variety of free weights, machines, treadmills, elliptical cross trainers, recumbent lifecycles, stationary bikes and more. Our qualified staff will show you around on your first visit to help you get familiar with the equipment. For more information, contact the fitness center at (954) 597-3661 or visit www.Tamarac.org/Parks.
