MANAGEMENT'S RIGHTS

5.1 The Federation recognizes the right of the City to operate, manage and direct affairs of all departments within the City, except as otherwise expressly provided elsewhere in this Agreement, including the sole and exclusive right:

5.2 To manage, direct and totally supervise without interference from the employees of the City.

5.3 To hire, re-hire, promote, lay-off, transfer, schedule, train, assign and retain employees in positions with the City and to establish procedures therefore.

5.4 To suspend, demote, discharge, or take other disciplinary action against employees for just cause in accordance with the City's rules, regulations and procedures.

5.5 To maintain the efficiency of the operations of all departments in the City.

5.6 To determine the structure and organization of City government including the right to supervise, subcontract, expand,

consolidate or merge any department and to alter, combine, eliminate or reduce any division thereof. In the event the City chooses to subcontract, the City will make every effort to place the affected employees within the City's employ. If this action necessitates lay-off of any employee, the City will give at least sixty (60) days notice to the employee.

5.7 To determine the number of all employees who shall be employed by the City, the job title and description, activities, assignments and the number of hours and shifts to be worked per week including starting and quitting time of all employees subject to two (2) weeks' notice if hours are to be changed except in cases of emergency.

5.8 To determine the number, types and grades of positions or employees assigned to an organizational unit, department or project, and the right to alter, combine, reduce, expand or eliminate any position.

5.9 To continue to control any other function that has been carried on by the employer prior to the date of this contract and not mentioned in this Agreement.

5.10 To establish, change or modify duties, tasks, responsibilities or requirements within job descriptions. Any changes in a

job description will not be effective until two (2) weeks after notice is given to the employee and the Federation.

5.11 It is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described and employees, at the discretion of the City, may be required to perform incidental duties within their department not within their job description, but within the realm of related duties.

5.12 The City shall formulate all City policies and procedures including rules and regulations which will serve as a guide for the conduct, responsibilities and duties of all employees covered by this Agreement. The use, location, operation and personnel policies of the City concerning this Agreement shall be subject to the sole and exclusive direction and control of the City. However, if any changes are made regarding any policies and procedures, the City will give the Federation two (2) weeks notice before any changes are effective.

5.13 Any right, privilege or function of the City not specifically released or modified by the City in this Agreement shall remain exclusively with the City. Should the City fail to exercise its rights in any

of the above functions from time to time, this shall not be construed or deemed a waiver of the City's prerogative to exercise any or all rights or functions listed herein provided that rules and regulations that have not been enforced shall be posted or otherwise brought to the attention of the employee and reasonable notice provided to the employee that the terms will be enforced.

ARTICLE 6

FEDERATION REPRESENTATION

6.1 Neither party, in negotiation, shall have any control over the selection of the negotiating or bargaining representatives of the other party. The bargaining committee of the Federation shall consist of not more than six (6) employee representatives, only one of whom shall be an employee regularly assigned to the night shift, and who may attend all bargaining sessions during working hours at no loss of pay. The Federation will furnish the City Manager or designee with a written list of the Federation's bargaining committee prior to the first bargaining meeting and substitution changes thereto if necessary.

6.2 The membership of the Federation shall be represented by its authorized Business Representatives. It shall be the responsibility of the Federation to notify the City Manager or designee in writing of any change in the designation of its authorized Business Representatives subsequent to the execution of this Agreement.

6.3 The Federation shall also notify the City Manager in writing of the names of all of the union stewards at the beginning of a new contract and anytime there is a change. There shall be no more than six (6) union stewards designated at one time.

ARTICLE 7

DUES DEDUCTION AND CHECK-OFF

7.1 Employees covered by this Agreement may authorize payroll deductions for the purpose of paying Union deductions. Deductions shall be deducted at each payroll and the funds shall be remitted to the Treasurer of the Federation within ten (10) days along with a list of employees for whom deductions are remitted. The Federation will not be required to reimburse the City for administrative costs of payroll deductions withheld by the City.

7.2 The Federation will initially notify the City of the amount of deductions. Such notification will be certified to the City in writing over the signature of an authorized officer of the Federation. Changes in Federation deductions will be similarly certified to the City and shall be done at least one (1) month in advance of the effective date of such change.

7.3 The City shall have no responsibility or liability for any monies once sent to the Federation, nor shall the City have any liability or responsibility for the improper deduction of dues. The Federation will indemnify, defend and hold the City harmless for any claims made and

against any suits instituted against the City for any and all non-intentional errors in the administration of the dues deduction system.

7.4 Any arbitration award providing retroactive pay to a Federation member will have Union dues deducted by the City.

ARTICLE 8

PROBATIONARY PERIOD

8.1 At any time during the initial employment Probationary Period, the department director may recommend, and the City Manager or designee may, for any reason, terminate the employee. Any termination prior to expiration of the probationary period shall be final with no right of appeal of any type under any of the terms of this Agreement.

8.2 A new employee shall be reviewed after the second, fourth and sixth month of employment. These reviews shall in no way affect the employee's salary, but rather shall be a means of notifying the employee, supervisor, Department Director and City Manager or designee of the employee's performance. Two (2) and/or four (4) and/or six (6) month reviews reflecting less than satisfactory performance may be cause for immediate termination of employment. Upon a satisfactory six (6) month employee evaluation, the supervisor may recommend to the Department Director, who may recommend to the City Manager or designee the placement of the employee in regular status.

8.3 The probationary period is normally six (6) months from the first date of employment.

8.4 The probationary period may be extended twice for a period of

three (3) additional months each at the sole and exclusive discretion of the department director with the approval of the City Manager or his or her designee; provided that a written reason for the extension will be given.

ARTICLE 9

SUBSTANCE ABUSE PROGRAM

9.1 The City and the Union recognize that employee substance and alcohol abuse may have an adverse impact on City government, the image of City employees, and the general health, welfare and safety of the employees and the general public at large. Therefore, the parties agree that the Drug and Alcohol-Free workplace policy shall be adhered to by all members of the bargaining unit.

9.2 It is understood and agreed that the tests conducted under this Article shall be administered in a purely employment context only as part of the City's legitimate inquiry into the use of any controlled substance, narcotic, drug or alcohol by its employees.

9.3 All tests shall be conducted in medical laboratories using recognized technologies. In the event an employee's test is positive, a second test shall be conducted to verify the results. If the employee so requests, he/she shall be given a copy of the test results after the employer has received same.

9.4 The results of such test may result in appropriate disciplinary actions, up to and including dismissal, in accordance with the applicable provisions of the City Code, the City Personnel Rules, the

City's Drug and Alcohol-Free Workplace Policy, and/or the Departmental Rules and Regulations.

9.5 The parties agree that any employee's refusal to submit to toxicology or alcohol testing in accordance with the applicable provisions of the City Code, the City's Drug and Alcohol-Free Workplace Policy, or the City's Personnel Rules, or the Departmental Rules and Regulations shall be subject to disciplinary action up to and including the termination of their employment.

9.6 The City agrees to create an Employee Assistance Program (EAP) and to fund it during the term of this Agreement.

9.7 The Union agrees to comply with the drug and alcohol testing provisions of the Workers' Compensation Law of Florida, as amended. The Union recognizes that the Law provides for drug testing as a part of an examination relating to an on-the-job injury.

9.8 The City agrees to provide yearly briefings on the Drug and Alcohol-Free Workplace Policy to all employees. These briefings will cover all aspects of the Policy and employees will be given the opportunity to ask any questions they may have concerning the Policy. All employees covered by this agreement shall be given copies of the Drug and Alcohol-Free Workplace Policy.

ARTICLE 10

GRIEVANCE AND ARBITRATION PROCEDURES

10.1 A grievance shall be defined as any controversy or dispute arising between the parties involving questions of interpretation or application of the terms and provisions of this Agreement. Having a desire to create and maintain labor relations harmony between them, the parties hereto agree that they will promptly attempt to adjust all complaints, disputes, controversies or other grievances arising between them involving questions of interpretation or application of the terms and provisions of this Agreement.

10.2 Thus, should grievances arise other than from cases of discharge and/or suspension, the grievant shall use the following procedures. This grievance procedure is the sole and exclusive avenue of redress available to any bargaining unit member. No person covered by this agreement shall use the grievance procedure in the City Personnel Manual for any purpose whatsoever.

STEP 1

In the event an employee believes there is a basis for a grievance, the employee shall first discuss promptly the alleged grievance with the immediate supervisor, either privately, or if the employee prefers,

accompanied by the on-site Federation representative within five (5) working days of the date of the occurrence of the event giving rise to the grievance. The supervisor shall then respond within five (5) working days.

STEP 2

In the event the grievant and/or the Federation is not satisfied with the decision of the supervisor, the grievant and/or the on-site Federation representative shall present the grievance in writing to the employee's department director within seven (7) working days of the date of the aforesaid decision. Upon presentation of this written grievance to the department director, and within seven (7) working days thereafter, the department director, the employee and the on-site Federation representative shall attempt to resolve the dispute. Within seven (7) working days thereafter, the department director shall render a decision in writing to both the employee and to the on-site Federation representative.

STEP 3

In the event the grievant and/or the Federation is not satisfied with the written answer to Step 2 above, the grievance shall be presented within seven (7) working days after the written answer above to the City Manager or designee, who will, within seven (7) working days of

the receipt of same, meet with a representative of the Federation in an attempt to resolve the grievance. At this meeting, the employee and/or the on-site Federation representative may also be present. Within seven (7) working days after this meeting, the City Manager or designee shall render a decision in writing.

10.3 In the event an employee is discharged or suspended by the City, the employee shall, within seven (7) working days, grieve his discharge and/or suspension to the City Manager or designee who shall, within seven (7) working days of the receipt of the same, meet with a representative of the Federation in an attempt to resolve the grievance. At this meeting, the employee and/or the on-site Federation representative shall also be present. Within seven (7) working days after this meeting, the City Manager or designee shall render his decision in writing.

10.4 The time limitations provided in this Article shall be strictly observed. An employee covered by this Agreement may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements to lapse. Any grievance not advanced by the employee or employees to the next higher step within the time limits provided shall be deemed permanently withdrawn and as

having been settled on the basis on the most recent response. A grievance not answered by the City within the time limits provided shall be automatically advanced to the next higher level. These time limitations may be extended only by written agreement of the parties.

10.5 Application to this procedure shall prevent the grievant from appealing to any other available procedure or visa-versa.

10.6 Nothing in this Article shall require the Federation to process grievances for employees who are not members of the Federation, in conformity with Florida law.

10.7 Notwithstanding any section of this Article, either party may request that an independent third party serve in the capacity as a mediator or fact-finder in an effort to assist the parties in resolving the grievance prior to proceeding to arbitration. Both parties to the grievance must concur with proceeding to mediation or fact-finding in order to proceed with the mediation or fact-finding.

10.8 In the event any dispute and/or difference, including discharge and suspension, has been properly processed through the grievance procedure without resolution, the Federation may demand arbitration and this demand, in writing, shall be presented to the City Manager or designee within ten (10) working days from the receipt of the

decision of the previous step.

10.9 The arbitrator shall be appointed by mutual consideration of the parties. In the event the parties are unable to agree upon a neutral arbitrator within ten (10) working days after the arbitration is invoked, either party may petition the Federal Mediation and Conciliation Service and request a list of seven (7) qualified arbitrators and from said list the parties shall alternately strike and select a single arbitrator to preside as a neutral at the hearing involving the grievance.

10.10 The decision of said arbitrator shall be final and binding upon both parties. The arbitrator shall not be empowered to alter, amend, add to, or eliminate any provisions of this Agreement. Expenses of the arbitrator shall be borne equally by both parties. Each party shall pay its own expenses.

ARTICLE 11

WAGES

11.1 Effective October 1, 2021 all full-time employees and all part-time employees shall receive a 4.00% increase, and the minimum of the pay range shall be increased by 4.00% and the maximum of the pay range shall be increased by 4.00%. Employees above the new maximum of the pay range, or who would exceed the maximum by some amount with a 4.00% increase, will receive only a lump sum by such amount of the 4.00% as is above the pay range maximum.

11.2 Effective October 1, 2022, all full-time employees and all part-time employees shall receive a 3.50% increase. The minimum and the maximum of the pay ranges shall be increased by an amount to be determined by the City of at least 1.00% but not in excess of 3.50%. 11.4 Regular employees of record on October 2, 2021 in positions identified for market adjustment shall receive designated pay adjustments effective October 2, 2021.

ARTICLE 12

PAID TIME OFF

Paid time off consists of three types of leave: Vacation Leave, Sick Leave and Personal Leave. Vacation and Personal Leave are for the employee to use subject to scheduling and approval by management. Sick Leave is only for use when an employee is incapacitated for work due to medical reasons, or has a required medical or dental appointment, or has an immediate family member with an illness requiring the care of the employee.

12.1 All regular employees shall accrue Vacation Leave during employment with the City of Tamarac. Regular employees shall be entitled to utilize Vacation Leave after satisfactorily completing the initial probationary period and achieving regular status in their position. Vacation Leave may be used at the employee's discretion with the prior approval of the department director or designee. Vacation leave requests require as much notice as the time being requested, and employees are encouraged to give as much notice as possible. Vacation leave requests made within 48 hours will not be granted, except for an emergency or extenuating circumstances, in which case such vacation leave request will not be unreasonably denied.

12.2 Vacation Leave will be earned and computed at the following rates for those employees hired on or before July 1, 1994:

SERVICE	VACATION LEAVE
0-60 mos. (Up to five years)	96 hrs./yr.
61-120 mos. (5 through 10 years)	120 hrs./yr.
121-180 mos. (10 through 15 years)	144 hrs./yr.
After completion of 15 years	168 hrs./yr.

12.3 Vacation Leave will be earned and computed at the following rates for those employees hired after July 1, 1994:

SERVICE	VACATION LEAVE
0-60 mos. (Up to five years)	80 hrs./yr.
61-120 mos. (5 through 10 years)	96 hrs./yr.
121-180 mos. (10 through 15 years)	120 hrs./yr.
After completion of 15 years	160 hrs./yr.

12.4 The Medical Emergency Leave Account was established in the 1996-1999 contract for the one-time transfer of the time in the Reserved Sick Leave Account. Only a small number of long-term employees have a balance left over in this account and are affected by this sub-section. The Medical Emergency Leave Account can be used for medical emergencies and has no cash value. Medical emergency is defined as a serious health condition requiring medical treatment which makes the employee unable to perform the essential duties of his/her job, or a serious health condition affecting an immediate family member (child,

spouse, parent) requiring the care of the employee.

12.5 Vacation Leave may be used as Sick Leave only if the employee's Sick Leave has been exhausted, the Department Director has specifically authorized the use in advance, and the employee has been off work for at least three (3) consecutive days provided that the requirement to be off work for 3 consecutive days may be waived by the Department Director upon proof of medical necessity.

12.6 Vacation leave will be accrued with no maximum accrual restriction.

12.7 All regular full-time employees shall earn 8 hours of sick leave per month. Sick Leave will be accrued with no maximum accrual restriction.

12.8 All regular full-time employees shall be credited with three (3) personal leave days (24 hours), at the start of each fiscal year on October 1st. Every year on October 1st, the employee shall forfeit any personal leave not used from the prior fiscal year. Personal leave has no cash value. Personal leave may also be used at the employee's discretion without the prior approval of the department director or designee when the need could not be anticipated in advance in accordance with 12.9a and 12.9b. Full time employees who work the

Compressed Work Schedule (nine days within a 2 week pay period) may convert up to three (3) hours of vacation leave to personal leave each fiscal year. Full time employees who work four (4) days per week (either four 10-hour days or four days of varying length) may convert up to six (6) hours of vacation leave to personal leave each fiscal year. The City's Payroll Office **must** receive written notification by October 31 signed by the employee which states that he/she chooses to exercise this option that fiscal year. The employee forfeits the right to convert vacation leave to personal leave for that fiscal year if he/she fails to notify the Payroll Office within the required time frame. Any vacation leave converted to personal leave shall be subject to the provisions regarding personal leave as specified in this Article.

On the initial fiscal year of employment, personal leave days will be awarded as follows regardless of probationary status.

Date of Hire	Personal Leave Awarded
October 1	24 hours
October 2 – February 1	16 hours
February 2 – June 1	8 hours

12.9 If an employee takes paid time off without the prior approval of the department director or designee, then the following guidelines shall apply:

a. The employee shall contact his/her supervisor within one (1) hour after starting time and advise the supervisor of the cause of the unapproved leave.

b. The obligation to contact the supervisor within one (1) hour may be waived in emergency situations; however, actual notice must be given as soon as practicable.

c. All leave taken without prior approval of the department director or designee shall be for the employee's illness, illness in the employee's immediate family or for personal medical emergencies.

d. An employee who is absent from work due to illness for three (3) days or more shall be required to submit a physician's statement. A physician's statement may be requested for lesser periods of absence if the department director suspects, based on the employee's leave record or other objective evidence, that sick leave is being abused. A physician's statement for a period of absence less than three days will not be arbitrarily or capriciously required.

e. If an employee becomes ill during the course of the workday, the supervisor will be informed before the employee leaves the job site.

f. If an employee has applied for a specific time period for

Vacation Leave and such leave was disapproved, and the employee then alleges sickness as an excuse for not working those hours, the employee shall provide a written doctor's excuse for that time period.

12.10 Employees on leave without pay shall not accrue paid time off hours while on leave without pay.

12.11 Vacation and Personal Leave will be counted as hours worked in calculating overtime in any work week. The parties agree sick leave is a benefit provided to employees only for use as defined above in this Article. Sick leave shall not count as hours worked in calculating overtime in any work week.

12.12 Regular part-time employees shall be eligible for fifty percent (50%) of all paid time off benefits.

12.13 Upon termination, the employee shall be paid for his/her combined accrued Vacation Leave and Sick Leave up to a maximum of 520 hours for employees of the City prior to April 1, 1988, and up to a maximum of 420 hours for employees hired after April 1, 1988 and shall be based upon the following formula:

Accumulated Mos. of Service	Percentage of Buy-Back
0 - 12 months	0%
13 - 36 months	25%
37 - 60 months	50%
61 months plus	100%

Upon entry into DROP, the employee may opt to be paid his/her combined accrued Vacation Leave and Sick Leave up to a maximum of 520 hours for employees of the City prior to April 1, 1988, and up to a maximum of 420 hours for employees hired after April 1, 1988 based upon the above formula (subject to the limits in the definition of Average Final Compensation in the General Pension Plan.) The employee may opt to be paid up to 100% of the maximum amount described above from Vacation leave, or up to 50% of the maximum amount described above from Sick leave with the balance from Vacation leave, up to the maximum amount in this article. Upon separation from employment, an employee who previously entered DROP will be paid any accrued leave balance which when added to any hours paid upon entry into the DROP, is equal to the maximum hours allowed to be paid under this article.

Lateness is an unexcused absence from the start of the work shift. Lateness in excess of seven (7) minutes, shall cause an employee to be penalized in quarter hour (15) minute units for each infraction of such period absent. Repeated unexcused absences, including lateness are detrimental to operational effectiveness and are grounds for disciplinary action.

19.5 All work performed in excess of forty (40) hours in any work week shall be paid at time and one-half or shall be compensated in compensatory time at the rate of one and one-half (1 ½) hours of compensatory time for each hour worked in excess of forty (40) hours. The supervisor shall prepare an Employee Performance Evaluation form after three (3) and six (6) months. If, at the end of the employee's probationary period the employee's performance is satisfactory, the supervisor shall make his/her recommendation to the Department Director, who may recommend to the City Manager or designee that the employee be placed in regular status.

21.3 The promotional probationary period does not affect the employee's entitlement to City benefits granted after satisfactorily completing the initial employment probationary period.

21.4 Before employees are hired from the outside to fill vacancies in all occupational classifications within the bargaining unit, the Human Resources Department shall post job vacancies within the City for a period of five (5) working days. 21.6 If at any time during the probationary period, a promoted employee does not prove to be satisfactory, he/she may be returned to his/her original classification at no loss of seniority and benefits. In the event his original classification is occupied, the employee filling that classification may be returned to his/her previous position.

In case the original classification of the returned employee is occupied by a new probationary employee, that new probationary employee may be offered any other vacant position for which he/she qualifies or may be terminated.

21.7 Any employee may apply and have their application reviewed for a posted position as long as he/she has completed the initial probationary period.

21.8 The promotional probationary period may be extended for a period of three (3) additional months at the sole and exclusive discretion of the department director with the approval of the City Manager or his or her designee, provided that a written reason for the extension will be

given. Additional extensions may be granted by mutual agreement of the City and the Union. The City shall have the sole and exclusive right to determine whether an employee successfully completes a promotional probationary period.

22.2 An employee may submit a written request for consideration for a transfer to another department or to another division or section within the department if a position is vacant. Any such transfer may be approved at the discretion of the affected department directors and the City Manager or designee.

22.3 There shall be no probationary period for a transferred employee that has satisfactorily completed a probationary period in their present job classification. However, if during the thirty (30) day period following such transfer, if either the employee desires to return to his/her former position or the supervisor determines the employee is not satisfactorily performing his/her job, the employee may be transferred back to his/her original position at no loss of seniority or benefits. If at the end of the 30-day period, the employee is not satisfactorily performing his/her job, a one-time additional 30-day period may be extended at the sole and exclusive discretion of the department director with the approval of the City Manager or designee, provided that a written reason for the

extension be given. Additional extensions may be granted by mutual agreement of the City and the Union. The City shall have the sole and exclusive right to determine whether an employee successfully completes a transfer probationary period.

ARTICLE 24

LAY-OFFS

24.1 In the event it is necessary to reduce the work force, employees shall be laid off in the inverse order of seniority by classification within a department. Employees shall be recalled from layoff in accordance with their seniority by classification within the department from which they were laid off. No new employees shall be hired in any classification until all employees on layoff status in that classification and department have had an opportunity to return to work, provided that such employees are still qualified for the position. In the event that the City determines that a laid-off employee is not qualified for recall, the City shall provide written documentation substantiating its determination.
