

CLASS OF 2023

# CLASS SCHEDULE

Welcome to the 2023 Spring Class of Tamarac University. This 8-week interactive program will give you a behind the scenes look at Tamarac and the opportunity to meet your local government officials face-to-face. In a classroom-like atmosphere, you will learn from elected officials, department directors, and other City staff about the role of local government and public service. Additionally, Tamarac University serves as a training ground for volunteers in community service (including Tamarac's numerous Boards and Committees) and provides networking opportunities for civic-minded residents. Whatever your current role in our community may be, we encourage you to expand upon it and take part in building an even better Tamarac...  
"The City for Your Life!"

Please note, order of presentations on any given evening is subject to change without notice. If you have questions or need directions to one of the locations where class will be held, please contact James Twigger at (954) 597-3904 or email [tu@tamarac.org](mailto:tu@tamarac.org).
