

The City of Tamarac

Has been awarded a grant from the Florida Division of Emergency Management. Community Development will be providing a comprehensive mitigation and hardening for eligible properties
(Funding availability is limited).

The City of Tamarac is currently seeking qualified contractors interested in performing comprehensive mitigation and hardening for the City's Hurricane Loss Mitigation Program.

The Hurricane Loss Mitigation Program is a State funded program designed to help homeowners retrofit their homes against Hurricane type conditions. Contractors who meet the qualifications will be able to perform mitigation repairs for homeowners.

Eligible activities are replacement of roof sheathing, replacement of roof covering, strengthening of roof deck attachment, installation of secondary water barrier, installation of hurricane straps, installation of window and door opening protection, installation of hurricane resistant windows and doors, brace bottom chord gable end, and anchoring of wall or floor units to the foundation.
