HOW TO APPLY FOR UTILITY PERMIT

This permit applies only for Utility permits within the City of Tamarac right of way (FPL, AT&T, COMCAST, BLUESTREAM, VERIZON, TECO PEOPLES GAS, etc).

**STEP 1:** Log on to the City of Tamarac website at [www.tamarac.org](http://www.tamarac.org)

- How Do I
- Apply For...
- Click on Permits
**STEP 2:** Click on “Access ePermits/Apply On-Line”

**STEP 3:** Click on “Apply for Permits” to begin your application online
STEP 4: Click on “Proceed to Site”

STEP 5: Click on “Submit Application”
**STEP 6:** Select “Address” under the Search Method click and type “RIGHT OF WAY” into Street Name field. Then, click “Continue”

**STEP 7:** Select either option and click continue when complete
STEP 8: Select “PWE PUBLIC UTILITY” under Application Type click and complete applications details

- The next step will require you to fill out the contractor’s information.
- Once all the information has been completed, the permit can be submitted for review.
- Then, the applicant will receive an email to upload all the required documents and plans (engineering permit application, signed and sealed plans and MOT plans).

*Please follow the steps on Sheet 11 (Engineering Permit Submittal).*
